

Patents

* Composition Comprising Alkaline Phosphatase for Use in the Treatment of Arthritides.
Publication number: 20200121765

* The Application of RESCAP to Attenuate and Prevent the Progression of Neurodegenerative Brain and Neuronal Diseases, Publication number: 20170072027

* Method for increasing the activity of the immune system of a mammal at risk of inflammatory diseases, Patent number: 8784805

* Alkaline Phosphatase for Increasing the Activity of the Immune System of a Mammal at Risk of Inflammatory Diseases, Patent number: 2252324
